

OPEN WIDE OUR HEARTS...

THE ENDURING CALL TO LOVE!

On November 14, 2019, the US Bishops formally approved a pastoral letter on the sin of racism under this title. This pastoral response addresses the urgent need to come together as a Church to find solutions, and to support the implementation of the bishops' pastoral letter.

This seminar gives D/CREs an opportunity to explore the pastoral letter while offering **PRACTICAL EXAMPLES** for honest and charitable conversation about racism in our country and Church. *Copies of the Pastoral Letter will be provided.*
