BE MY DISCIPLES

Introduction

RCL Benziger thanks you for the opportunity to correlate *Be My Disciples* Levels 1 – 6 with your diocesan guidelines. In preparing this correlation, it became clear that some of the concepts required in your guidelines were sequenced differently in *Be My Disciples*. However, you will notice that major concepts are appropriately revisited, reviewed, and further developed on many grade levels across the curriculum.

To help you understand the *Be My Disciples* correlation to your guidelines, we would like to point out several unique qualities found in *Be My Disciples* curriculum.

- *Be My Disciples* provides a balanced approach for catechesis that invites children into an encounter with Christ through Scripture, Catholic doctrine, and the key celebrations of the liturgical year.
- *Be My Disciples* incorporates a spiral structure to the teaching of Catholic doctrine. Each year children extend their understanding of the core teachings of the Catholic faith through six unit themes. The first three pillars of the *Catechism*: Creed, Liturgy, and Morality are explored over the six core units.
- The fourth pillar, Prayer, is interwoven throughout every chapter of the *Be My Disciples* curriculum. The children grow in their faith formation by experiencing the rich prayer tradition of the Catholic Church through the many forms and styles of Catholic prayer.
- The “We Celebrate the Church Year” unit presents seasonal lessons at each grade level. From Advent through Pentecost, children learn about and celebrate the major feasts and seasons. Activities and prayer experiences help the children and their families keep their minds and hearts constantly tuned to the key events in the life of Jesus Christ.
- A special page in each chapter, “The Church Follows Jesus,” tells the story of a holy person, organization, or ministry that has made a difference in the world by living out the Christian values of discipleship. This unique feature prepares the children to understand the chapter doctrine in the context of the Church’s mission. This page also includes “Disciple Power,” which promotes character formation by focusing on habit of discipleship.
- The “I Follow Jesus” page equips the children to live the Catholic faith by making a choice to live as a disciple of Jesus each week.
- *Be My Disciples* utilizes the catechumenal model of embracing the faith through knowledge, experience and practice, initiating the child into membership in the Christian community.
- A variety of assessment strategies are incorporated throughout the *Be My Disciples* student and catechist editions that will assist the catechist in measuring your local standards.
- The correlation of Preschool and Kindergarten guidelines are based on *Stories of God’s Love*, **RCL Benziger’s** Early Childhood curriculum. *Stories of God’s Love* is the foundation for *Be My Disciples*.
